Thanks for your conscientiousness, Amy. I know they keep you busy over there.

Is this blurb sufficient for your purposes?:

Emily,

I am working on the referral and have it more than half way done, but needed a line or two about the existing referral from the Coast Guard to tie it to that piece. Do you mind sending me a blurb to insert for that piece. Any help is greatly appreciated. Also, as if there haven't been enough delays in getting this done, I am now working on the Gold King Mine site. I don't know yet how much that will delay getting this done, but I will do my best to get you something as quickly as possible.
